WRITTEN AUTHORIZATION TO PREPARE AND TRANSMIT ELECTRONIC EXPORT INFORMATION – ROUTED EXPORT TRANSACTION

I, _____ (“FPPI”), authorize Western Overseas Corporation (“Authorized Agent”), to act as authorized agent for export control, U.S. Customs, and Census Bureau purposes to transmit such export information electronically that may be required by law or regulation in connection with the exportation or transportation of any goods on behalf of said FPPI. The FPPI certifies that necessary and proper documentation to accurately transmit the information electronically is and will be provided to the Authorized Agent. The FPPI further understands that civil and criminal penalties may be imposed for making false or fraudulent statements or for the violation of any U.S. laws or regulations on exportation and agrees to be bound by all statements of said agent based upon information or documentation provided by the FPPI to said authorized agent.

Western Overseas Corporation will not act as the U.S. Principal Party in Interest (USPPI) who is the exporter of record under the Export Administration Regulations (EAR). In accordance with 15 CFR 758.3(b), when a writing exists in which the U.S. Principal Party in Interest obtains from the FPPI a writing wherein the FPPI expressly assumes responsibility for determining licensing requirements and obtaining license authority, the U.S. agent of the FPPI becomes the exporter for purposes of the Export Administration Regulations (EAR). One writing may cover multiple transactions between the same principals. Accordingly, the FPPI must contract with a U.S. agent other than Western Overseas Corporation to act as the exporter and fulfill all exporter responsibilities under the EAR.
